IntelliDrive Safety Workshop

July 20-22, 2010

Hilton Chicago Northbrook, Chicago, Illinois

Agenda

Workshop Objectives:

- Information Briefing on IntelliDrive Safety Programs
- Stakeholder feedback for refinement of IntelliDrive Safety Program roadmaps
- Policy discussions to identify and focus program activities on the most critical issues supporting deployment

Day One: Tuesday, July 20, 2010 – IntelliDrive Safety Technical Programs

9:00 AM: **Introduction, Expected Outcomes from the workshop**   **Mike Schagrin, RITA**

9:30 AM: **Overview of the IntelliDrive Safety Program**   **Mike Schagrin, RITA**

10:00 AM: **Vehicle-to-Vehicle and Safety Pilot Programs**   **Ray Resendes, NHTSA**

Presentation and discussion of program roadmaps. Opportunity for workshop participants to provide input to roadmap structure and activities.

11:00 AM: **Vehicle-to-Vehicle Program Achievements**   **John Harding/Alrik Svenson, NHTSA**

Presentation of activities underway, and results relating to application priorities, interoperability, security for light and heavy vehicles

12:00 PM: **Break**

1:00 PM: **DSRC Device Certification**   **Walt Fehr, RITA**

Presentation and discussion of certification program roadmap and its relationship to supporting Safety Pilot. Opportunity for workshop participants to provide input to roadmap structure and activities.

2:00 PM: **Human Factors for IntelliDrive**   **Stephanie Binder, NHTSA**

Presentation of the plan for addressing aftermarket device safety concerns pertaining to driver distraction.

2:30 PM: **Break**

2:45 PM: **Vehicle-to-Infrastructure Program**   **Monique Evans, FHWA**

Presentation and discussion of the V2I safety roadmap with specific focus on the plans for development of the signal phase and timing broadcast capability as well as its relationship to supporting Safety Pilot. Opportunity for workshop participants to provide input to roadmap structure and activities.

4:15 PM: **Additional Q&A/Discussion**

5:00 PM: **Adjourn**

Day Two: Wednesday, July 21, 2010 – IntelliDrive Policy Program

Note: Wednesday morning has two parallel activities. One for the bidder's conference on DSRC devices and one for Professional Capacity Building (see separate agenda)

9:00 AM: **Bidder's conference for DSRC Devices   Mike Schagrin/Walt Fehr, RITA**

12:00 PM: **Break**

1:00 PM: **Welcome, Introduction, Expected Outcomes from the Policy Workshop**

1:30 PM: **Overview of IntelliDrive Policy Program**

Presentation of IntelliDrive Policy roadmaps – Safety (V2V and V2I), Truck, Transit, Data Capture and Management, AERIS, Mobility and Road Weather   Discussion of development status, how common issues are being addressed, and how the Policy roadmaps complement the technical roadmaps.

2:00 PM: **Presentation of V2V Policy Roadmap   Valerie Briggs/Suzanne Sloan, RITA**

Presentation and discussion of V2V policy roadmap and the specific policy categories being addressed. This presentation will provide the structure for Day Two's break out groups which will provide an opportunity for workshop participants to provide input to roadmap structure and activities.

3:00 PM: **Break**

3:15 PM: **Continuation of V2V Policy Roadmap   Valerie Briggs/Suzanne Sloan, RITA**

4:30 PM: **Question and Answers and instructions for Day Two**

5:00 PM: **Adjournment for the day**

Day Three: Thursday, July 22, 2010 – Policy Breakout sessions

8:30 AM: **Break-out sessions on key V2V policy topics:**

- o   Certification process and policy issues – Review of technical roadmap and discussion of policy issues.
- o   Certificate Authority, Security, and Privacy – Discussion of a trade-off analysis and review of related policy issues with stakeholders.
- o   Infrastructure – Discussion of V2I technical roadmap and related policy issues.
- o   Governance – Discussion on Governance needs for oversight and authorities and discussion on stakeholder requirements.
- o   Cost/Benefit Framework—Discussion of the approach to IntelliDrive cost/benefit analysis and required data inputs

11:15 AM: **Summarization within each break out session**

12:00 PM: **Lunch**

1:00 PM: **Report on breakout sessions and summary**

2:00 PM: **Next steps**

2:30 PM: **Adjournment**
